WALK IN LIMITED WARRANTY CONDITIONS FOR KODSAN HOT WATER TANKS AND HEATTECH GEYSERS

The *KODSAN Hot Water Tanks and HEATTECH Geysers* are manufactured to the highest possible standards. Accordingly, the equipment carries the following warranty should a fault occur due to faulty manufacturing or materials.

IMPORTANT: The *AQUAHEAT* Manufacturer Warranty conditions will only be valid if the Tank and Geysers installation is registered in full with *AQUAHEAT*.

This warranty is not transferable.

In the event of a fault occurring covered by this warranty, the purchaser must contact *AQUAHEAT* immediately.

This Manufacturer Limited warranty is a **WALK IN** warranty, meaning that all repairs will be done at an *AQUAHEAT* workshop. See above address. It is the responsibility of the buyer/owner of the product to deliver the product to an *Aquaheat* workshop on the buyer/owners own expense.

Courier charges and courier damages are not covered by this warranty.

KODSAN HOT WATER TANK MANUFACTURER LIMITED WARRANTY:

- 5 Year Manufacturing Warranty
(See enclosed Warranty Certificated in Tank)

HEATTECH GEYSER MANUFACTURER LIMITED WARRANTY

- 1 Year on Electrics
- 1 Year on Pressure Valve
- 5 Year on Internal Tank

NOTE:

No claim in pursuance of this warranty will be recognised unless received by *AQUAHEAT* during the warranty period.

AQUAHEAT shall not be liable for any incidental, consequential, exemplary, special or punitive damages, or for loss of revenue, profit or use, arising out of breach of this warranty (including but not limited to damage resulting from leakage) or in connection with the sale, maintenance, use, operation or repair of any *AQUAHEAT* product. In no event will *AQUAHEAT* be liable for any amount greater than the purchase price of a defective component.

This limited warranty does not cover products that have been damaged because of accident, abuse, misuse, neglect, improper installation, defect due to part connected to tank or geysers, use of water that does not comply with "Drinking and Usage Water Values", Voltage drop or excess, failures due to transportation, loading, unloading, storage, external physical and chemical effect after delivery of product, failure of internal piping or components due to freezing conditions, scale build up, improper maintenance, or failure to operate the product in accordance with the *AQUAHEAT* written instructions or any other damages cause by a result of floods, hail, winds, fires, lightning, accidents, corrosive environment, or other conditions beyond the control of *AQUAHEAT*.

AQUAHEAT shall not be held responsible for any injuries that might occur for any reason.

All non-warranty service charges are the responsibility of the original owner. Failure to pay for non-warranty service charges will void this limited warranty.

Spare parts purchased from an *AQUAHEAT* sales office and used in any other application other than in an *AQUAHEAT* specific product, will not carry any warranty.

ANY LAPSE REGARDING IMPLEMENTATION OF THE ABOVE PROCEDURES WILL IMMEDIATELY RENDER THE WARRANTY NULL AND VOID
